WEAR, TASTE, MAKE, DANCE, ADMIRE, OUR WONDERFUL HERITAGE.

21.02.2018

2018 is Europe's Cultural Heritage Year. The aim of this project is to reveal aspects of our cultural heritage that are not well known to the majority of people. The project therefore will not focus on famous monuments, famous places or famous museums around Europe. The aim is to expand...

04.11.2018

Like a story is our project. We propose to discover the traditions, books, heroes, foods...representative for countries in a very attractive way: learning one from other. Learning could be more engaging. Students present important things about each country and then put question about what they want to find out. Students...

Schools all over the world!

Schools all over the world

08.12.2017

This project was created after the beginning of the eTwinning Club at our school. It was created to make students have a deeper knowledge of their own school and then of other schools around the world. The main focus is to share information about schools all over Europe, namely the...
